

What Makes Each Zodiac Sign Happy?

Excitement

The excitement of trying something new or overcoming their fears

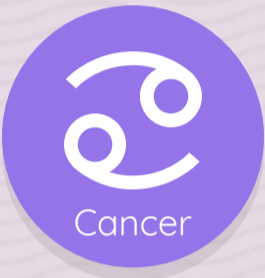

Stability

Stability is what makes them happiest - dislike when things change

Freedom

A Gemini's happiness depends upon his ability to feel free and breathe fresh

Continuity

Strive for continuity in their lives to make them truly feel at home

Self-confidence

Leos love to be appreciated for their uniqueness

Admiration

Feel the happiest when they get recognized and/or awarded for their struggles

Beauty

Libras, as a whole, are lovers of beauty, peace, and harmony

Power

Feel the absolute happiest upon exerting this power over others

Hope

Believe in the existence of a better and brighter tomorrow

Self-respect

Capricorn feels at his absolute best when people respect him

Uniqueness

Feel independent of the rest and like to be acknowledged for that

Warm feelings

They need the warmth of others feelings towards them to feel at home truly
